

## Pittsburgh Mind-Body Center Visiting Scholars Program on Discrimination & Health

Wednesday, May 20, 2009 &  
Thursday, May 21, 2009  
Frick Fine Arts Auditorium ~ The Cloisters  
University of Pittsburgh

### Wednesday, May 20, 2009: Presentations

*(Open to the public)*

- ◆ Elizabeth Brondolo, PhD, St. John's University
- ◆ Geoffrey Cohen, PhD, University of Colorado
- ◆ Camara Jones, MD, MPH, PhD, Centers for Disease Control
- ◆ Brenda Major, PhD, Univ of California-Santa Barbara
- ◆ Jennifer Richeson, PhD, Northwestern University, &
- ◆ David Williams, PhD, Harvard University

### Program Focus:

To enhance collaboration between researchers who work on the connections between discrimination and health, and researchers who work on theory development and understanding the determinants of stereotyping, prejudice, or discrimination.

### Thursday, May 21, 2009 *(By registration only)*

Small group discussions with the Visiting Scholars.

**To register** for small group sessions, apply online via [www.pghmbc.org](http://www.pghmbc.org). Questions can be sent to Ginger Placone, [gingerp@cmu.edu](mailto:gingerp@cmu.edu).

**Deadline:** April 13, 2009
